

ATM
SOUTH MAIN
ENTRANCE

As one more convenience for our employees, patients, families and visitors, the hospital installed an ATM at the South Main Entrance. This machine is located under the television in the waiting area.

- The ATM will dispense up to \$500 in one transaction.
- The machine has \$5's and \$20's in it.
- Bank of Kirksville customers have no fee for using the ATM.
- Non Bank of Kirksville customers will have a \$2 fee charged by the ATM, plus whatever fees their bank charges per transaction.
- The ATM works with most major networks including Visa, MasterCard, Cirrus and Pulse.
