

Do I need to see a doctor?

Coronavirus COVID-19

COVID-19 symptoms* typically include:

- A 100.4°F or higher fever or feeling feverish/chills

AND one or more:

- Cough
- Sore throat
- Headaches and/or body aches
- Difficulty breathing or shortness of breath
- Fatigue
- A runny or stuffy nose

If you have traveled to one of the CDC's "Level 3" countries or been in contact with a person known to have COVID-19 and you have symptoms, that elevates your need to call the triage number:

660-956-6820

Visit the CDC website for more information at <https://www.cdc.gov/coronavirus/2019-nCoV/>

Do you have a life-threatening or **urgent** health condition?

YES

In Scotland County call 465-2131, other counties - call 911 or go to the Emergency Rm.

NO

Do you have COVID-19 symptoms?*

NO

If you have questions, call our 24-hour COVID-19 Triage Number, staffed by a nurse: 660-956-6820. Do not leave your home until you have received instructions.

YES

Are you over the age of 65, have chronic health conditions, moderate or increasing symptoms, or **other high risks?***

YES

Call our 24-hour COVID-19 Triage Number: 660-956-6820

NO

If young and healthy with mild symptoms (similar to a common cold), it's recommended you stay home and follow home care advice (see reverse page).

www.ScotlandCountyHospital.com
