

2020 Sports & Activities Physical Instructions and Parental Consent

Dear Parent:

Scotland County Hospital Rural Health Clinics in Memphis & Lancaster are providing extended hours on March 4, March 11 and March 18 in order to allow local students to obtain the required MSHSAA physical. Students of any age and from any Northeast Missouri school district are welcome at either clinic on any of the designated dates & times. A student may present at either clinic without a parent, but the consent form below must be completed and signed. Additionally, the MSHSAA form must be completed and signed. The cost is \$10 per student. If a student is unable to attend one of specified dates and times, they may make an appointment at one of the clinics to see one of the clinicians during regular clinic hours and the cost will still be \$10.
